

## Technical Specialist - Websphere Configuration

- Consulting Opportunity within IT Professional Services
- Hands-On Role
- City based, Contract to Perm Opportunity

ARTIS GROUP is one of Australia's fastest growing professional services organisations, providing technology solutions to the enterprise market to help our clients achieve success. In so doing, we take great pride in hiring the very best technical staff, placing them on challenging projects and supporting them with a proven development and mentoring program.

Artis currently has an exciting consulting opportunity for a hands-on Technical Support Specialist with **proven configuration experience** with IBM applications systems - **Websphere Portal Server (WPS)** and **Websphere Application Server (WAS)**.

In your role, you will be responsible for supporting, managing and configuring application systems and upgrades, along with the support of various environments including development, test and production. You will need to be able to conduct performance planning and monitoring and build solid relationships in the business in order to resolve issues and facilitate business process change.

Your involvement in improving processes and helping to deliver successful outcomes will be welcomed.

Does that sound like you? We seek a few things to be considered for this role, namely:

- Your experience with Websphere Portal Server (WPS) and Websphere Application Server (WAS);
- Your knowledge of Windows Server Administration, and any AIX & Linux experience would be well regarded;
- Experience in development & environment management/support, including change, release and test;
- Exposure to automated toolsets a plus;
- Strong communication skills - verbal ,written and interpersonal;
- Proven time management and organisational capabilities; and
- A great team attitude & spirit, passion for what you do and willingness to 'do what it takes'!

If you think you have what it takes and would like to be considered, please send your details and resume to: [careers@artisgroup.com.au](mailto:careers@artisgroup.com.au).

We'd love to hear from you!
